Tuition fees at Ein Bustan

Nursery/preschool	NIS 18,000 per year (approx. \$5170)
Older Kindergarten	NIS 9800 per year (approximately \$2815)

Sponsoring a child

A suggested scholarship of NIS 300 per month per child is NIS 3600 per year (approximately \$85 per month or \$1020 per year).

A sponsor can pay the full amount of the parental contribution for a child or part of it. The money will be paid directly to Maayan Babustan, which is a registered NGO, so that the child doesn't have to pay the contribution (or only part of it). The parents are informed of this.

Duration of sponsorship

You can decide for yourself for how long you wish to support a student. You can end the sponsorship any time without giving a reason. However, if you don't want to or cannot contribute a fixed amount of money for a longer period of time, a sponsorship is not the best option. A general, either one-time or periodic, donation is also possible.

Termination of sponsorship

If you wish to terminate the sponsorship, please let us know as soon as possible, by mail or e-mail. We can then try and find a new sponsor for the child, and the continuity of his or her school career will be guaranteed.

Information about the child

If you commit yourself to a personal sponsorship, you will get information about the child and a photograph.

Personal Contact?

Personal contact between sponsor and child could lead to unexpected complications, such as:

- an exceptional position for a sponsored pupil through extra attention, packages etc.
- feelings of shame on the part of the family of the child, e.g., in case of a visit at the school or the home
- pressure for the child when asked to express his or her gratitude, etc.

Therefore we do not encourage personal contact. Any contact will be via the school.

We do supply a yearly report on the development of the sponsored children, and a picture or drawing from the child. We send these to the sponsors.
