Our products contains natural oils, herbal extracts, multi-vitamins, cannabis oil, hyaluronic acid, gold powder, argan oil, shea butter, antioxidants ,Pro-collagen, Dead Sea Mud and many of other ingredients that encourage cell regeneration, provide the skin and hair the moisture, nourishment, shine and vitality it needs. The Shemen Amour brand has more than 300 products with a renewed and updated range, taking into consideration the needs of the market and various trends in the world, with high quality and unbeatable price. All Dead Sea products by Shemen Amour meet international standards; ISO& CGMP, and have the Manufacturers Association confirmation of Original Dead Sea products Israel. Shemen Amour also developed the brands MORROCAN SPA face, body and hair products specially based on the Moroccan Aragan oil, mud series - MUD, and the Innovated premium series Anti-Aging Hemp Oil & Gold.

Few words about the name

Shemen Amour - A surprising name, which brings many questions, The root of this name is in the holy bible, in a book which is called: "Esther Parchment". These words are written there in the meaning of cosmetic products.

Service & Quality

We in Shemen Amour believe in three principles.

- A. Qualitative products with international standards.
- B. Perfect and professional service.
- C. Unbeatable prices.

This is the main reason Shemen Amour Dead sea became most popular brand in many markets all over the world thanks to our many customers, and franchising shop, that already joined the big happy family of Shemen Amour Dead Sea.

Dead Sea Natural Minerals

One of the world's true natural wonders the Dead Sea, - 417 meters below sea level the mineral rich waters full of natural health and beauty benefits qualities of salt, drawing toxins from the pores of the body, as well as the tremendous concentration of Bromine has a relaxing effect on the nervous system, while Magnesium counteracts skin allergies and clears the bronchial passages. The natural minerals contain more than 27 kinds of all pure natural minerals and all the vitamins that you can find directly from the nature.

The wonderful properties of the Dead Sea products are known to world for thousands of years. Using Dead Sea products becomes more and more popular because of the new developments and the new researches which show the benefits of Dead Sea Salt - The lowest place in the world (a place of health & beauty).

Thousands people from all over the world come every year to the Dead Sea for healing, recovery, spa, and cosmetic treatment. Dead Sea water contains a lot of Vitamins & Minerals. Our products include the best minerals which the skin needs. The concentration of the salt in Dead Sea water is 33%, (in the ocean 3% only). Dead Sea water has wonderful effect on your health and your skin. Dead Sea products Israel include minerals which makes your skin more healthy & beautiful.

Shemen Amour develops qualitative products. Our products are rich in Vitamins & Minerals from Dead Sea water, combine with natural oils & plants extract that have intensive effect on skin. Among our Dead Sea product you can find facial creams, body treatment, spa products, hair treatment and men treatment. Dead Sea product developed after years of researches & experiments, under quality control. All Dead Sea products by Shemen Amour meet international standards: ISO & CGMP, and has the Manufacturers Association confirmation of Original Dead Sea products from Israel.

Shemen Amour brings the Dead Sea to your home!
