Dear Ms. Levi,

I would like to express our sincere gratitude to Rotary Israel and Rotary Club Kefar Saba, headed by Mr. Avi Rockenstein, for the donation to the Agricultural-Veterinarian School in Svilajnac, Serbia. I am particularly thankful to Mr. Hanan Haas, from the same Rotary Club, for all his efforts to finalize this generous action.

I am sure that your kind act has put the smile on the faces of our children in the small town of Svilajnac.

I would also like to emphasize that the fulfillment of this activity contributes not only to further strengthening of the relations among the Rotarians of Israel and Serbia, but also to the deepening of friendship between our countries and peoples.

Wishing you success in your further activities,

Sincerely Yours,

**Milutin Stanojevic**
