

Dear doctor,

We welcome you and hope that the Omplant Driver System will be a source of pleasure to you for many years.

Terms of warranty

Omplant Ltd. is hereby responsible for the normal operation of the device in question, according to the following conditions:

1. Warranty certificate is for a period of 24 months from date of purchase (12 months for the latch head).
2. We pledge to provide repair service and to exchange free of charge any part that we will see corrupted and that, in our sole discretion, happened with correct operating instructions supplied with the device.
3. Warranty does not cover damage caused by a fall, force majeure and negligence.
4. This warranty is void, whether attempt to repair the device (or try to open it) was done by any person except for an authorized representative.
5. This warranty does not confer any rights or requirements which are not included in this warranty.
6. The customer is responsible to bring the device for repair at his own expense.
7. This warranty does not cover any damage caused by improper maintenance.
8. This warranty does not cover damage to plastic or silicon parts as a result of inadequate using.
