

# EasyTravel Mid Range Scooter

## Titan 4<sup>®</sup>

### Advanced Technologies That Move You

High Performance 4 Wheel Mobility Scooter has never been combined Into a truly portable design until now. The Titan is both highly portable and high performance all in one. The Titan is the perfect high performance transportable scooter. With the heaviest part weighting only 49 lbs, it is the world's most portable, adjustable & comfortable high performance scooter available. The Titan is only 24 Inches wide and has a very efficient high torque motor with the capability of climbing even steep inclines, ramps and hills.

# EasyTravel Mid Range Titan®
